Trustee Martell reported that a CD matured on Monday, he is pricing it out, and we may have to look at CDARS. Trustee Martell is looking for possible long term because we do not need additional money right now. Discussion. Next month the million dollar CD is going to mature. Trustee Martell stated that it looks like the District is going to be in the black this fiscal year.

Chiefs Report:

All Trustees received a copy of the alarm report.

All Trustees received a copy of the inspection report along with the list of completed inspections for this month.

There is a resolution on the agenda for surplus vehicles. The 2000 Ford Expedition has approximately 60,000 miles and the blue book in excellent condition is \$8,000. I believe it is in good condition, it does have a couple of problems. All the decals will be taken off prior to sale. I have a price of \$200 to remove all decals. It was agreed that we will do a closed bid with a minimum bid of \$6,000 and advertise it on Craig's List.

The Tuckpointer finished all the work on the addition. We asked him to inspect the rest of the building so we can prepare for future repairs. He said the rest of the building needed removal of the cill caps approximately 170 of them and install rope weeps and foam backerrod and recaulk all the joints. His price for this is \$4,800. He said the rest of the building is in good shape at this time.

We are experiencing some electrolysis (rust) on our ambulances. It is popping through around the lights and wheel wells. Foster Coach come out to inspect the damage. Our newest Ambulance #106 a 2007 Ford, the cost to repair the electrolysis is \$4,796. Foster Coach and Medtech will repair at no cost to us. Our other Ambulance a 2004 International, to repair the electrolysis is \$4,887. Foster Coach will pay 33% for the repair. This leaves us with a total cost of \$3,275 and they will give us a loaner Ambulance until both are repaired.

Deputy Chief Kovalcik and I attended the FDIC in Indianapolis a couple of weeks ago. We found that after August if we purchase a new Ambulance we would need to go with an F450 Ford diesel which will cost approx \$15,000 more than if we ordered the E450 in August. If we ordered in August we can order the E450 which we currently have because after August this will have a gasoline engine. If we order in August we pay for it when it is completed in approx. February 2011 . This is on the 5 year plan for 2011. Foster Coach has the bid for the Northwest municipal group purchase. Total cost would be approximately \$150,000.00. They will put a committee together and it is part of the state purchase. A letter was sent to Representative McAuliffe requesting assistance with grant money for the ambulance, engine and SCBA's.

Workmen's compensation update, Commander Carpino is scheduled to be reevaluated on May 17th. Al Nagrocki is scheduled to be reevaluated on May 24th.

So far we have had 9-24 hour shifts of overtime due to the guys on Workmen's compensation. I can foresee another 4 or 5 days before the middle of June.

We received a grant for bunker gear from IPRF. The grant is for \$14,100 and we hope to purchase 8 sets of gear each year for the next 3 years. I will have it on the agenda for June

We are working on the budget, I will meet with Trustee Chmura in the first week of June. The tentative budget will be on the June agenda.

The men went out and collected for burn camp for kids this past week and raised \$8,000. We will be presenting a check to the Illinois Fire safety alliance for \$7,999,95

Dan Raz our summer intern will begin working next Monday.

A motion was made by Trustee Skyba and seconded by Trustee Martell to accept the Chiefs report as presented for April 2010.
