

Reserve Your Brick

Become a permanent part of Norwood Park Fire Protection District

The Brick Program is the perfect way to honor a loved one, to commemorate a birthday, anniversary or other special event. The cost of each brick will support local charities and gives permanent recognition to donors for their contributions.

Each brick is made of weather-sealed, tinted clay. Engraved letters have a black fill for greater legibility and durability. Engraved with your name or personal message, the brick pavers will leave a lasting impression and a unique reminder of your loved ones or special occasions.

Bricks will be placed in a visible location in front of the fire house.

Deadline for brick orders is February 14, 2020

(Pictures are for example only. All bricks will be gray, see sample for actual color)
